

NORTHUMBERLAND BORDERS RALLY

MARSHALLING

With a large number of controls to run, tests to man and all manner of other things to take care of, we are always in great need of marshals for the rally.

We are currently recruiting marshals for the next event taking place on **Saturday 15th March 2025**, both for the Special Tests in the afternoon (11.45am to 4.30pm) and the navigational rally in the evening (6pm to 11pm). The roles vary depending on experience but include running test starts and finishes, observing on the tests, as well as manning Time Controls and Passage Controls on the road sections in the evening. We also need people to help with the general running of the event including at the start venue, The Hog's Head Inn in Alnwick.

If you can help, please get in touch with our Chief Marshal by completing and submitting the 'Contact Us' form on the CONTACTS page of this website. Please say whether you can help on the tests, the navigational rally or both. Please also let us know what experience you have and if you will be accompanied by anyone.

Thank you again for your interest, we value your support highly and, as marshals ourselves on many events, will do our best to make you feel welcome on the Borders. Anyone carrying out marshalling duties will also be entitled to a free meal at the finish.

The Organisers.
